

OLEEO ENGAGE

CANDIDATE RELATIONSHIP MANAGEMENT

Deliver a personalised experience from day one.

Dedicated careers sites, talent banks, CRM tools and powerful automation, can help you deliver consistent, high quality personalised communications to candidates, keeping them engaged throughout the process.

	CAPABILITY	DESCRIPTION
	Talent Banks	A pool of candidates to increase your hiring pipeline
	Candidate Engagement	Automatically share the right content with the right candidates at the right time
	Nurture Campaigns	Identify groups of candidates and nurture them with tailored, relevant emails
	Candidate Flags	Flag top candidates
	Automated Communications	Amplify recruitment marketing with scheduled, automated communications
	User Profiles	Create a range of user profiles to manage all your recruitment and administration activities
	Privacy & Security	Oleeo is accredited to ISO 27001:2013 and independently audited every six months by BSI
	Dashboards	Configure and access personal dashboards, containing a variety of widgets, including graphs, table lists, and quick links
	Reporting	Create and schedule reports

Oleeo Engage lets you focus on your engagement efforts with candidates as the number one priority. From targeted multi-channel recruitment ads to personal candidate-facing nurturing campaigns, Oleeo automates every step in your recruitment marketing process to help you concentrate on the right relationships and strengthen your talent pipeline. Top candidates enjoy relevant content that keeps your brand top of mind. Recruiters enjoy stronger leads the moment job opportunities arise.

Intuitive Configurable Recruitment Software

Engage users & transform recruitment end-to-end

Easy-to-use and self-configured to your way of working, Oleeo streamlines tasks across your entire recruitment process, supporting recruiters and hiring managers to be their best end-to-end.

Inclusive Recruitment

Consistently hire great talent in an inclusive way

Write inclusive job adverts to attract diverse applicants, keep them engaged with the right personalised content, counter unconscious bias with blind screening and data-driven selection recommendations and pinpoint opportunities for improvement through diversity dashboards.

Best of Breed Platform & Ecosystem

Enhancing the full talent acquisition funnel

Best of breed platform and ecosystem supporting every aspect of the recruitment funnel

Data-Driven Insights & Automation

Embedded insights and automation supporting your ways of working

Cut time-consuming, routine manual processes through comprehensive workflow automation. Support recruiters to be their best with real-time dashboards to guide day-to-day actions. Counter bias with data-driven recommendations and embed expert guidance to educate and offer best practices.

Outstanding Candidate Experience

Deliver a personalised experience from day one

Through dedicated careers sites, talent banks, CRM tools and powerful automation, you can deliver consistent, high-quality personalised communications to keep candidates engaged at every stage of the process; supporting your employer brand at all stages.

Oleeeo is an award-winning end-to-end talent acquisition platform that fits your ways of working. Oleeeo supports recruiters to be the best they can be, through data-driven insights and automation; enabling, fast, efficient, engaging and inclusive recruiting.

Oleeeo is the chosen data-driven enterprise hiring platform of global brands, as well as leading government agencies, police forces and health services. Oleeeo supports employers in over 145 countries, processing millions of candidates each year.
