EVENT MANAGEMENT SYSTEM

OLEEO EVENTS

Part of the Oleeo Recruiting Enablement Platform, Oleeo Events transforms and simplifies event management, with mobile candidate registration, check-ins, and profile creation, as well as dynamic, automated preevent and onsite candidate workflows. Whether your events are virtual or in-person, Oleeo Events reduces your administrative workload, while delivering exceptional event experiences.

Oleeo Events: Core Product

CAPABILITY	DESCRIPTION
Event Management	Create and manage virtual and in person recruiting events
Automated Workflows	Automate pre-event and onsite candidate registration with tailored and dynamic workflows
Registration Form Builder	Choose from pre-built templates or build your own registration forms
Event Mobile App	Leverage the Oleeo Events mobile app
Candidate Registration & Check In	Empower candidates to register, upload documents, check in from any device (including via text or QR code)
Candidate Communication Hub	Provide candidates with a private page of their own that delivers all their registration history and allows self service actions like time slot scheduling or survey completion
Automated Communications	Automate candidate communications and wait list administration
Event Surveys	Deliver post-event surveys to candidates
User Profiles	Create a range of user profiles to manage all your recruitment and administration activities
Privacy & Security	Oleeo is accredited to ISO 27001:2013 and independently audited every six months by BSI
Dashboards	Configure and access personal dashboards, containing a variety of widgets, including graphs, table lists, and quick links
Reporting	Create and schedule reports
