

OLEEO FOR HIGH VOLUME RECRUITING

BULK HIRE IN NO TIME.

Oleeo for High Volume Recruiting helps you scale the workforce faster than ever before. Whether it's seasonal hiring or global expansion, our intelligent automation will have you hiring quality talent in minutes, not weeks.

The Oleeo logo, featuring the word "Oleeo" in a stylized, rounded font. The letters are primarily red with a dark blue outline, and the "O"s are slightly larger and more prominent.

**OLEEO FOR HIGH
VOLUME RECRUITING**

**NEVER BE
UNDERSTAFFED**

Oleeo's best in class technology helps you to speed up high volume recruiting without sacrificing quality. Maintain the brand experience that turns consumers into employees. Intelligent automation, attraction and engagement techniques mean that businesses running high-volume recruiting programmes can act rapidly. Talent can move from application to interview in just 35 minutes; from application to hire in 3 days; and from application to rehire in 5 minutes.

Flexible Tools

Oleeo for High Volume Recruiting includes the following components of the Oleeo Recruiting Enablement Platform:

- Oleeo Recruit: streamline smarter recruiting workflows and spot the best candidates quickly. Win back time and deliver more efficient hiring processes.
- Oleeo Engage: deepen your company's relationship with candidates. Place tailored content and automate communications.
- Oleeo Events: simplify the complexity of planning and executing recruiting events. Empower candidates to register & check-in using their own devices.

Empowered Recruiters

Take control of your talent acquisition with:

- Bulk processing: post one vacancy instead of 50 for identical jobs spread across the country and automate filtering to the relevant hiring managers.
- Actionable dashboard & meaningful metrics: help recruiters stay focused on high value activities with tailored candidate shortlists and instant visibility into the source of their best hires.
- Anonymous Screening: reduce bias and focus on quality by hiding protected data such as name, gender, place of study and address location.
- Assessments: help recruiters focus on the most qualified talent with the largest partnership of integrated third party assessments.
- Candidate shortlist: help recruiters zero in on the right talent to fast track with focused candidate scoring and prescriptive hiring recommendations.
- Interview evaluation: simplify follow up and gather structured feedback from everyone on the interview team using just one system.
- Onboarding tools: make sure employees, managers and teams have what they need to be productive from day one.
- Employee Referral: give employees the power to be your best source of talent with a dedicated portal that helps them easily see the status of their referral.

Exceptional Candidate Experiences

Help candidates enjoy the recruiting process:

- Candidate hub: keep candidates informed of their status with a private communication portal built just for them. Connect with candidates through targeted and tailored content on your recruitment portal.
- A branded experience end to end: protect your employer brand with applications that match the look and feel of your career site.
- Advanced job search: help candidates search by keyword, radius/location and all relevant opportunities.
- Career navigator: help candidates discover new opportunities by instantly matching their skills and potential to relevant roles.
- Social apply: make applying easier by encouraging candidates to apply with social profiles such as LinkedIn, Facebook, and Google.
- Automated reference collection: take the work out of reference checks with automated requests and tracking.
- Pre-employment questionnaire: gather key employee data early. Avoid repetitive questions. Make day one amazing from the start.

Happier Hiring Managers

Make it easier for managers:

- Candidate profile books: make heavy interview days easier on the team with printable candidate profile books.
- Offer creation, management & approval: automate offer creation and simplify approvals.
- Easy interview feedback: easily provide structured or unstructured feedback after an interview using your own device
- Review relevant candidates when you want to: review candidate documents and progress easily off your phone.
- Manager reports delivered to your inbox: no more logging into a system. Get real time reports emailed to you to see the progress on your talent.
